## On-Time Response [OTR]

*Communication is the key in any relation, when comes to business it is everything, we'll ensure OTR from all teams at all the touch points (be it pre-sales, during sales, delivery, after sales & retention) proactively.*

## On-Time Delivery [OTD]

*SCM (Supply Chain Management) team in RDP backed with strong PPT (People, Process, Technology) we connected logistic partners apps to our ERP to automate both forward and reverse logistics on-time.*

## On-Time Support [OTS]

*RDP has a robust mechanism to handle support queries thru support CRM to ensure every support ticket is resolved within the SLA, we call this as 'On-Time Support' every time !!!*
